**As you work slowly and steadily toward your goals, realize that there are apt to be unexpected obstacles along the way, friend. You can't possibly plan for everything, so don't get discouraged today when some crazy variable pops out of nowhere...**

**Arrangements for a get-together you're planning to host could go awry, with everything turned upside down and nothing happening the way you planned... This is going to be exasperating for you, but don't waste time moaning about it. Get busy and take care of business.**

**The day ahead won't be easy, dear friend. A glimpse at your love life reveals that you'll be bridling at certain inhibitions. You long for peace and stability, and at the moment everything is in suspense in that department. Use the day ahead to gain some perspective on the situation...**

**Make sure that you're living consciously at this time, friend. It could be that you're going through a period of denial and simply refusing to see the truth of the situation. Open up your eyes to the world around you so you can invite in joy and compassion. Don't be satisfied with superficial interactions that don't really satisfy you emotionally and intellectually.**

**It's important to communicate your feelings today, friend. You tend to hold them inside and wait until they build up and erupt like a volcano. Emotional blocks in your system are clogging up the works and preventing new, healthier energies from moving in. Say what you need to say to the people who need to hear how you feel.**

**Today's planetary energies are stimulating your ambition, dear friend. Issues connected with your professional life may be very much on your mind, and you may find yourself plotting out ways to further your career. Perhaps you are seeking a promotion within your current job, or you could be thinking about looking around for another job entirely. This is the ideal time to put specific plans into place for the future.**

overcome it. I will give you the keys of

**Matthew 16:18-19**

**Once, on being asked by the Pharisees when the kingdom of God would come, Jesus replied, "The coming of the kingdom of God is not something that can be observed, nor will people say, 'Here it is,' or 'There it is,' because the kingdom of God is in your midst."**
